Tailor made by our chefs as per your preference.

Hello

Welcome to Garden Lovers Botanical Boutique & Café. As our name suggests we love greens and thus you find yourself surrounded by so much of it.

Our 'Beverage' and 'Light Bites' menu is an eclectic mix of artisanal and gourmet coffee, fresh cold pressed juices, classy and refreshing mixers. Our light bites offer some of the best handcrafted savories, and patisseries baked fresh everyday by our culinary chefs.

By character we are a slow down place, and we urge you to sit back relax and welcome to the other side of the city's hustle and bustle. Our quaint surroundings are the perfect setting to rejuvenate and recharge.

Our service is our pride, and we strive to always do our very best. A service fee is levied on the bill to motivate our team. In case you wish to abstain do let our servers know we would be happy to oblige.

Hello

Welcome to Garden Lovers Botanical Boutique & Café. As our name suggests we love greens and thus you find yourself surrounded by so much of it.

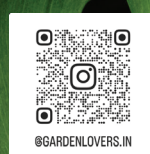

Our Food menu is curated to give you an experience which is simple, wholesome, honest and tasty. Our Chef's love for food is reflected in every dish be it our hand rolled pastas, artisanal sandwiches, fresh salads, and a special mention about our hand-crafted pizzas which are an Italian secret well kept.

By character we are a slow down place and sometimes we might take a few minutes more to give you the best dish on your table, but we assure you it's that extra effort which makes us special.

We take great pride in our service and quality which is why we levy a service fee. In case you wish to abstain do let our servers know we would be happy to oblige.
